

# THE RITUAL ARTS

APRIL 5 - 8, 2012

PRESENTATION PROPOSALS: DUE BY FEBRUARY 1, 2012

All of life's a play... or is it? Does it have to be? Can't life be a song and a dance or a symphony? Isn't even a painting of fruit a still life? Life embraces all of the Arts.

In the Spring of 2012, we plan to explore the art of ritual and the ritual of art. If these variations on a theme get your creative juices flowing and you want to be on the planning committee for this event, please write to me at one of the addresses below or better yet, talk to me at this Fall's Conclave (of course you'll be there!)

Blessed Be. Hugh
